

## COME TO CAMP COAST!

Camp COAST provides a unique opportunity for young adults aged 18-30 with epilepsy and significant developmental delays to experience a residential summer camp with a pre-vocational focus.

Our campers increase both their self-confidence as well as their employment readiness. Camp COAST also provides one week of respite for families.

## COME TO CAMP EAGR!

Come to Camp EAGR and enjoy a week of swimming, horseback riding, rock wall climbing, laughing and fun with kids who also have epilepsy, boys and girls ages 8-17. Siblings are welcome.

You'll make new friends and do fun things you might be excluded from ordinarily. Once you experience Camp EAGR, it will quickly become one of the best weeks of your life!

YOU CAN  
JUST BE... **YOU!**

# CAMP EAGR/COAST

AUGUST 12-18TH, 2018

## A SUMMER CAMP FOR YOUTH WITH EPILEPSY

# REGISTRATION

Space is limited; early enrollment is recommended. To reserve a space, please visit [www.epiny.org/epilepsy-camp-eagr.php](http://www.epiny.org/epilepsy-camp-eagr.php).

A deposit of \$25 is due at registration, with the remaining balance due no later than August 1, 2018.

Once we receive your completed application and \$25 non-refundable deposit, you will be emailed further instructions.

## THIS AUGUST 12-18TH YOU CAN BE EXTRAORDINARY!

### AWESOME COUNSELORS

Many of our camp counselors were campers once themselves. Many also have epilepsy or have a family member who does. Counselors meet all NYS screening requirements for health and safety and undergo a rigorous training program. The camper-to-staff ratio is 3 to 1.

Our counselors-in-training program (for 16 & 17 yr. olds) is a great way to build self-confidence and prove to others and yourself that epilepsy doesn't have to be a barrier to succeeding in life!

### 24-HOUR MEDICAL TEAM

We have a robust volunteer medical team of RNs, nurse practitioners, neurologists who are on site at all times to administer medications and provide care. Should an emergency arise, Wyoming County Community Hospital is 16 miles away.

### BEAUTIFUL LOCATION

Camp EAGR is held at the YMCA's Camp Weona located between Rochester and Buffalo. Camp Weona has over 1,000 acres of woodlands, streams, and fields, as well as a private lake, heated outdoor pool, riding stables, residential cabins, dining hall, and a health/first aid facility.

### COST AND PAYMENT

- Fee is \$750, including all meals, lodging and activities.
- Registration opens March 1, 2018.
- EPI provides an affordable camping experience for youth with epilepsy and their siblings by subsidizing camper costs via sponsorships and fundraising. The actual cost of Camp EAGR/COAST is \$1,000/camper.
- Need-based scholarships are available.
- Children with OPWDD eligibility may qualify for Family Reimbursement dollars. A separate application is required.

### APPLICATIONS AVAILABLE ONLINE!

Applications can be completed online at [www.epiny.org/epilepsy-camp-eagr.php](http://www.epiny.org/epilepsy-camp-eagr.php).
