

La Dolce Vita

La Dolce Vita literally translates to “The Sweet Life.” Nothing could be more fitting for our Chocolate Ball, the sweetest event in town! And what is sweeter than life in Italy? Cakes are inspired by Italian cities, monuments, art, and Italian lifestyle. From the beauty of the Tuscan country side, to the art of Michelangelo; from the Colosseum to a gondola in Venice; from the sleek design of a Ferrari to a ride on a Vespa; from cappuccino to spaghetti al podomoro! There is no limit on how to capture the sweet Italian life. Our chefs' magnificent cakes, the evening menu, cocktails, and decorations will take the guests through a tour of Italy. And that's amore!
